

CAROL SINGING 2020

Thank you!

**Despite all the restrictions, we still managed to carol sing,
socially-distanced and on-line.**

We sang in various pre-arranged locations in Mable, Bayton and Clows Top, including at the Churches and Mission Room, and were joined by up to forty people standing in their own bubbles of up to six, two metres apart from another bubble, singing carols outside.

Many thanks to everyone who came and sang and contributed and who made us feel welcome. I had some lovely comments on the donation envelopes which were very kind and really appreciated.

We raised **£210** for the Maggs Outreach and Transition Service which works across the Malvern Hills area, connecting homeless people with local support and services, preventing homelessness and supporting homeless people with all their needs, not just housing.

Well done everyone. I hope that it was worth it for the people singing, those listening and for those for whom the money, through Maggs, will make a real difference.

If you missed us and would like to make a contribution towards our charity fundraising, it is not too late! Please contact Sue Burrows at Clows Top on 832722, or Brian the Butcher at Clows Top on 832349, or Helena Evans at Bayton on 832062.

If you have any suggestions for charities for whom we might raise money next year, please contact Sue or Helena on the numbers above.

Many thanks,

All the carol singers
